## **June 18-19: Right to Life - LIFESPAN Happy Father's Day!**

Fathers are so important in the pro-life movement and *we need you!*

“The greatest gift I ever had, came from God and I call him, Dad!” *Anonymous*

A short prayer for our fathers:

God, bless all the fathers in the world.

Guide them to be good role models and loving to all their children.

Help them to be a father like You are.

Give them grace and patience to handle situations in a loving way.

***Want more info about how very important fathers are in the pro-life movement?***

## **June 25-26: Right to Life - LIFESPAN David vs. Goliath!**

Yes, history repeats itself. Our 21<sup>st</sup> Century “David” is David Daleidan, a slight, young man of 27 years.

“Goliath” is Planned Parenthood (PP), the giant responsible for one-third of all abortions in the USA,

each year. In a series of 12 undercover videos released to the public, David and an associate posed as

purchasers of fetal body parts for a shell organization, Center for Medical Progress (CMP), proposing to

act as intermediary between abortion clinics selling and medical researchers seeking organs from aborted

babies. The videos were released over a period of time. At first, PP’s CEO apologized for the videos,

next she claimed that they were “heavily edited” and finally claimed that the videos were “faked”. In an

abhorrent turn of events, PP filed a federal lawsuit against David Daleidan and Sandra Merritt, another

pro-lifer, alleging the two had engaged in an illegal conspiracy to block women’s access to abortions.

This is a developing story of an epic battle between good vs. evil.
